Week 7/Group A: English Task

Dear participants,

You already know a few things about each other, for example your birthdays, your hobbies, some places of interest in your towns, etc.

For week 7 try to plan about half an hour per day (all in all about two to three hours) to do your tasks.

Task 1: Writing

As a starting exercise for your first week of the English e-tridem, we would like you to do the following:

What these things mean to me:

Three words are given - write a short text about yourself

The three words are: football, travelling, the UK.

Send the text to your e-tridem partners and react to your partners` descriptions.
(15-20 minutes)

Task 2:

a) Chat

Arrange a chat meeting with your partners.

Topics for the chat might be:

What do you associate with GB/England/the UK?

How were your perceptions/images formed? Can you give concrete examples, e.g. if you associate England with football hooligans, where and when did you hear or experience hooliganism in England for the first time?

Football and GB – any associations?

(About 30 minutes)

b) Write a short journal entry about the chat – what was new for you, what did you learn.

(About 10 minutes)

Task 3: 4 questions

What would you like to know from your British Guide on the Side?

Write down 5 questions about GB and put them in the Forum so that your Guide on the Side can answer them.

(20 - 30 minutes)

Task 4: Exchange – Tourism in the three contries

Forum/Wiki
